Page (06) Why Cyber Beg ?

*Cyber Begging can compared to any
state Lottery; the chances of winning
the big prize is over a million to one.*

*But just like the Lottery Games,
if you do not play, or take a chance
at asking, your odds of winning or
receiving a gift are zero.*

*Thou the chances of finding mercy
in Cyber Begging is slim, I am a
believer in an Almighty God who
does miracles and know my Savior
can touch the heart of someone to show
me mercy and give me the miracle
my soul yearns for.*

forces me to:*

- (a1) eat in free food lines*
- (a2) live in substandard housing*
- (a3) live only waiting to die
alone and in want.*
