Antonio on a giant rock on Muir Beach !

Antonio the Explorer  
at the writing of these stories  
Antonio is a young man with a  
Developmental Disability !

while his disability is curse  
in that he has a few difficulties  
expressing himself and grasping some  
mental concepts.

his disability is a blessing in that he sees  
most things as beautiful and  
unconditionally grateful for the chance  
to see and explore new destinations.
